VISIONING SESSION RESULTS AND DISCUSSION: AARON SCHUETTE –

A mailer inviting residents to the visioning session on February 16, 2015 was mailed out to 1,170 property owners in Wrightstown. There were 32 residents who participated in the Visioning Session. A follow-up survey (see attached) was sent out to those 32 participants, of which 22 were returned. The survey included 48 unique issues from the visioning session, and respondents were asked to agree, stay neutral or disagree on all 48 items, and then rank their top ten responses.

The attached results of the survey include:

- Strongest Agrees
- Strongest Disagree
- Top 5 Prioritized Issues
- Bottom 5 Prioritized Issues

These results from the visioning session and survey will help to create the goals and objectives of the comprehensive plan which will be developed over the next year. The same nine chapters will be used from the previous 2003 comprehensive plan.

Aaron Schuette will prepare an overview of goals and objectives for the next Planning Commission Meeting. Although there will be no further public sessions on the comprehensive plan, there will be an open house when it is completed.
